

Resource Raleigh

Calling all community-based and faith-based organizations!

Please join us as we explore new ways to increase your nonprofit's efficiency and effectiveness so that you can better serve the community.

Throughout the day, you'll hear from guest speakers with many years of experience in the nonprofit sector as they share their strategies for enhancing the capacity of your organization.

Local businesses, universities, and consulting firms will be on hand from 5pm to 6:30pm so you can explore the resources available to you in your own community.

For a full schedule of workshops and guest speakers, [click here](#).

Monday, March 29, 2010

9:00AM—6:30PM

PROJECT LIFT is the City of Raleigh's nonprofit capacity building initiative. PROJECT LIFT offers training events, online resources, and networking opportunities to Raleigh's community-based and faith-based organizations to ensure the nonprofit community is better prepared to serve those in the community with the most need.

For more information, please visit: [The City of Raleigh's Project LIFT](#).
